If the fiscal analysis demonstrates that these changes will result in additional state costs of \$500,000 or greater for a given fiscal year, the administration shall submit the policy changes for review by the joint legislative budget committee.

Recognizing that states have inherent authority to arrest for any immigration violation, there continues to be a benefit with a 287G, including additional training and a partnership with immigration and customs enforcement and the federal government. The distribution of these monies are contingent on the department of public safety making all reasonable efforts to enter into a 287G memorandum of understanding with the United States department of homeland security. The \$2,603,400 shall be used for functions relating to immigration enforcement, including border security and border personnel, including any previously authorized allocations made in Laws 2008, chapter 285, section 14, as amended by Laws 2009, first special session, chapter 1, section 2. As state or local law enforcement officers come into any lawful contact with a suspected illegal alien or with a gang or suspected gang member the use of these monies is contingent on law enforcement agencies making every reasonable effort to determine the person's legal status and taking appropriate action that will not jeopardize an ongoing investigation. \$2,603,400 is exempt from the provisions of section 35-190, Arizona Revised Statutes, relating to the lapsing of appropriations. The department shall submit an expenditure plan to the joint legislative budget committee for review before expending any monies not identified in the department's previous expenditure plans. Within thirty days after the last day of each calendar quarter, the department shall provide a summary of quarterly and year-to-date expenditures and progress to the joint legislative budget committee including any prior year appropriations that were nonlapsing.

Of the \$21,397,400 appropriated to GIITEM, \$9,400,900 shall be used for one hundred department of public safety GIITEM personnel. The additional staff shall include at least fifty sworn department of public safety positions to be used for immigration enforcement and border security and fifty department of public safety positions to assist GIITEM in various efforts, including: 1) arresting illegal aliens, 2) responding to or assisting any county sheriff or attorney in investigating complaints of employment of illegal aliens, 3) investigating crimes of identity theft in the context of hiring illegal aliens and the unlawful entry into the country and 4) taking enforcement action, as permitted under federal law and the United States constitution. As state and local law enforcement officers come into contact with gang or suspected gang members the use of these monies is contingent on law enforcement agencies verifying the immigration status of these individuals and taking appropriate action that will not jeopardize an ongoing investigation. not identified in the department's previous expenditure plans. Within thirty days after the last day of each calendar quarter, the department shall provide a summary of quarterly and year-to-date expenditures and progress to the joint legislative budget committee including any prior year appropriations that were nonlapsing.

For fiscal year 2010-2011, within thirty days after the last day of each calendar quarter, the department shall report to the joint legislative budget committee the following quarterly and year-to-date photo radar enforcement information:

- 1. The total number of issued citations or notices of violation, paid citations or notices of violation, notices of violation that were referred to courts and mobile or stationary cameras in operation.
- 2. The total amount of citation and notice of violation revenue generated, including how much revenue was distributed for department of public safety staff expenses, for department of public safety vendor payments to the administrative office of the courts for processing of citations and to the state general fund.

Any monies remaining in the department of public safety joint account on June 30, 2011 shall revert to the funds from which they were appropriated. The reverted monies shall be returned in direct proportion to the amounts appropriated.
